Art. 16 DGA:

"In order to qualify for registration in a national register of recognised data altruism organisations, an entity shall:

[...]

(b) operate on a not-for-profit basis and be legally independent from any entity that operates on a for-profit basis;

[...]"

Art. 17 (4) DGA:

"Applications for registration shall contain the following information:

[...]

(i) any other documents which demonstrate that the requirements of Article 16 are met."
