### Article 42

#### Transparency reporting obligations

1. Providers of very large online platforms or of very large online search engines shall publish the reports referred to in Article 15 at the latest by two months from the date of application referred to in Article 33(6), second subparagraph, and thereafter at least every six months.

2. The reports referred to in paragraph 1 of this Article published by providers of very large online platforms shall, in addition to the information referred to in Article 15 and Article 24(1), specify:

(a) the human resources that the provider of very large online platforms dedicates to content moderation in respect of the service offered in the Union, broken down by each applicable official language of the Member States, including for compliance with the obligations set out in Articles 16 and 22, as well as for compliance with the obligations set out in Article 20;

(b) the qualifications and linguistic expertise of the persons carrying out the activities referred to in point (a), as well as the training and support given to such staff;

(c) the indicators of accuracy and related information referred to in Article 15(1), point (e), broken down by each official language of the Member States.

The reports shall be published in at least one of the official languages of the Member States.

3. In addition to the information referred to in Articles 24(2), the providers of very large online platforms or of very large online search engines shall include in the reports referred to in paragraph 1 of this Article the information on the average monthly recipients of the service for each Member State.

4. Providers of very large online platforms or of very large online search engines shall transmit to the Digital Services Coordinator of establishment and the Commission, without undue delay upon completion, and make publicly available at the latest three months after the receipt of each audit report pursuant to Article 37(4):

(a) a report setting out the results of the risk assessment pursuant to Article 34;

(b) the specific mitigation measures put in place pursuant to Article 35(1);

(c) the audit report provided for in Article 37(4);

(d) the audit implementation report provided for in Article 37(6);

(e) where applicable, information about the consultations conducted by the provider in support of the risk assessments and design of the risk mitigation measures.

5. Where a provider of very large online platform or of very large online search engine considers that the publication of information pursuant to paragraph 4 might result in the disclosure of confidential information of that provider or of the recipients of the service, cause significant vulnerabilities for the security of its service, undermine public security or harm recipients, the provider may remove such information from the publicly available reports. In that case, the provider shall transmit the complete reports to the Digital Services Coordinator of establishment and the Commission, accompanied by a statement of the reasons for removing the information from the publicly available reports.
