The provisions concerning the data protection impact assessment contain one opening clause:

> ***Art. 35 X GDPR:*** "Where processing pursuant to point (c) or (e) of Article 6(1) has **a legal basis in Union law or in the law of the Member State** to which the controller is subject, **that law regulates** the specific processing operation or set of operations in question, and a data protection impact assessment has already been carried out as part of a general impact assessment in the context of the adoption of that legal basis, paragraphs 1 to 7 shall not apply **unless Member States deem it to be necessary** to carry out such an assessment prior to processing activities."
