Art. 17 III Directive 2019/944 for the internal market for electricity:

"Member States shall ensure that their relevant regulatory framework contains at least the following elements:

[...]

(c) non-discriminatory and transparent rules and procedures for the **exchange of data between market participants** engaged in aggregation **and other electricity undertakings** that ensure easy access to data on equal and non-discriminatory terms while fully protecting commercially sensitive information and customers' personal data;

[...]"
