Art. 17 DGA:

"(1) An entity which meets the requirements of Article 16 may request to be entered in the national register of recognised data altruism organisations in the Member State in which it is established.

(2) An entity which meets the requirements of Article 16 and has establishments in more than one Member State, may request to be entered in the national register of recognised data altruism organisations in the Member State in which it has its main establishment.
