Art. 16 DGA:

"In order to qualify for registration in a national register of recognised data altruism organisations, an entity shall:

[...]

(ca) comply with the rulebook adopted in accordance with Article 19a(1), at the latest by [date of entry into force of the delegated act + 18 months]."

Art. 17 (4) DGA:

"Applications for registration shall contain the following information:

[...]

(i) any other documents which demonstrate that the requirements of Article 16 are met."

Art. 19a DGA:

The Commission shall adopt delegated acts in accordance with Article 28, supplementing this Regulation by establishing a rulebook, laying down:

(a) appropriate information requirements to ensure that data holders and data subjects are provided, before a consent or permission for data altruism is given, with sufficiently detailed, clear and transparent information regarding the use of data, the tools for the giving and withdrawal of the consent, and the measures taken to avoid misuse of the data shared with the data altruism organisation;

(b) appropriate technical and security requirements to ensure the appropriate level of security for the storage and processing of data, as well as for the tools for obtaining and withdrawing consent and permission;

(c) communication roadmaps taking a multi-disciplinary approach to raise awareness of data altruism, of

the designation as a data altruism organisation recognised in the Union and of the rulebook among relevant stakeholders, in particular data holders and data subjects that would potentially share their data;

(d) recommendations on relevant interoperability standards.

2. The rulebook referred to in paragraph 1 shall be prepared in close cooperation with data altruism organisations and relevant stakeholders.
