"Online platform" is a provider of a hosting service

which, at the request of a recipient of the service, stores and disseminates to the public information, unless that activity is a minor and purely ancillary feature of another service or a minor functionality of the principal service and, for objective and technical reasons, cannot be used without that other service, and the integration of the feature or functionality into the other service is not a means to circumvent the applicability of this Regulation. Art. 19-28 DSA provide for additional provisions applicable (only) to online platforms;

(Art. 3 (i) DSA)

Art. 19-28 DSA provide for additional provisions (only) for online platforms:

Art. 19 Exclusion for micro and small enterprises
