No. 1 Resolution 69/166 “The right to privacy in the digital age” (on 18 Dec 2014):

“Reaffirms the **right to privacy**, according to which no one shall be subjected to arbitrary or unlawful interference with his or her privacy, family, home or correspondence, and the right to the protection of the law against such interference [...].”

[see also Resolution 68/167 on 18 Dec 2013]
